

# GETTING BACK TO WHAT YOU DO, **DIFFERENTLY**

## **INTEGRATED COMMUNICATION SOLUTIONS**

When the pandemic hit, we used our experience and innovative thinking to quickly pivot from fabrication of live events to making PPE for those that needed it most.

Now we have combined our event experience with the latest digital technology and created a state-of-the-art production studio — providing your organization a new way to tell your story and connect with your audience.

## **EVOLVING FACE TO FACE INTERACTIONS**

- Association Conferences and Seminars
- Keynotes Sessions
- Product Launches and Demonstrations
- Sales Meetings
- Annual Award Ceremonies
- Digital Media Content Creation
- Live Performance Revenue Generation

# A TRUE ONE STOP SHOP

We've got you covered, we have packed all the services needed to ensure your session with us runs smoothly and looks amazing! We have an 80,000 square foot facility that's designed to make your experience seamless. Everything needed is designed, produced and managed on site to ensure your project runs on time, within budget and to the highest quality standards.
